

Two K Electrical Ltd

Description:

The aim of this site is to detail the services which we can offer you and also to provide you with some information about us.

Our company is based in Stourbridge in the West Midlands which makes us ideally situated to be central to all areas of the United Kingdom.

Having been established since 1989 we can draw upon a wealth of experience in the three key areas of the electrical industry which are:

- * Industrial
- * Commercial
- * Domestic

We have successfully completed many electrical contracts both small and large, from installing an extra socket or light to a number of creditable contracts both here and abroad, such as contracts for:

- * Birmingham Health Authority
- * West Midlands Health Authority
- * Warwick University
- * BBC Pebblemill, Birmingham
- * Europ-Car Inter Rent (Contracts in the U.K. and Belgium)
- * Nissan, Tyne and Wear
- * Ford Dagenham and Ford Halewood
- * Dowty Aerospace Industries.
- * AutoFin Paint Finishing Plant, Stourbridge(Contra
