

C & D Technical Services, Inc.

Description:

C&D Technical is a full-service Skilled Labor Outsourcing Company. We provide the services of contract Skilled Labor personnel to the Manufacturing & Construction Industries for special projects, to supplement your in-house staff during peak work loads, and to fill-in for employees during vacation periods. Our employees are available by the hour, day, week, month or by the contract. You only pay for the hours worked by C&D Technical employees! ...
