

Foster Electric Company, Inc.

Description:

As Foster Electric is an independent business we feel that we are in close contact with the needs of our customers, and are able to offer them the value-added services of a full line distributor. Since our founding in 1956, Foster Electric continues to offer FAST delivery/shipping at VERY competitive prices.

Foster Electric is committed to providing our customers with the highest quality of service and goods. This creed has been central to the success of Foster Electric, and we realize the importance of maintaining such a standard. ...
