

Century Electric Company

Description:

We deliver fast and reliable emergency service the same day the problem is reported and within an hour for an extreme emergency. Our emergency service is available 24 hour a day, seven days a week. As a third generation owner, I am committed to continuing the tradition of quality work and good service that my grandfather began in 1905. We stand behind and guarantee all of our work.

Our services range from jobs as small as the installation of one plug or light fixture to the complete electrical renovation of your facility. Whether it is the additional cabling and electrical power service required to handle your computers, data and voice communication systems, a malfunctioning smoke and heat detector system, "shorts" or any loss of power, we bring 92 years of experience along when you call us for assistance. ...
