

## **C&M Electric**

### Description:

Incorporated in 1963, C&M Electric is a financially secure, privately owned electrical contracting company, serving Eastern Ontario and Western Quebec.

Celebrating over 40 years of service, C&M Electric provides quality electrical service and support in the areas of commercial, industrial and design-build contracting. We pride ourselves on our commitment to our customers - providing exceptional service on time, on budget and safely. As a leading electrical contractor in the Nation's Capital, C&M Electric provides electrical contracting services and support to both the public and private sector.

Under the leadership of the original founder, K. Wayne Crawford, C&M Electric remains connected to and actively involved in the electrical industry ...
