

Delta Contracting Services

Description:

Friendly, uniformed technicians are on hand to respond to breakdowns 24 hours a day, 7 days a week. Comprehensively stocked vans ensure service calls are handled quickly and efficiently, eliminating costly, frustrating returns and delays. Delta Contracting Services has formed an alliance with Clipsal, the number one name in Australia for electrical accessories and therefore are able to offer a vast range of quality electrical products. Choose from old world elegance, to modern state of the art high tech fittings to compliment the decor on your office, home or store ...
