

Able Electrical Contractors

Description:

Owned and operated by A Grade Electricians, Ben Detoma and Carl Agostini.

The company is based in Eltham and services commercial, industrial and domestic properties throughout the Shire of Nillumbik in all aspects of electrical works.

With over 32 years of electrical experience between them, Ben and Carl offer a personalised service to all clients, guaranteeing that the man who quotes your job will be the man who completes your job.

They pride their company name on the fact that they are reliable, courteous and well presented, and always ensure that the customer is satisfied before leaving.

Able Electrical Contractors offer services relating to power points, switchboards, lighting, hot water units, electrical fans, television points, smoke detectors and surge protection as well as rewires, new homes and extensions. They also hold an unrestricted electrical mechanic licence ...
