

Parallax Power Components

Description:

Our engineers know the RV Industry and applications. We work with OEM's and other electronics manufacturers when developing new products. As appliances and accessories evolve and become increasingly more sophisticated, our engineers provide quality application driven solutions. Our designs in solid state, switch-mode converters provide "hum-free" operation, clean DC output power free from DC "spikes or surges", with full DC output amperage charging capabilities. In addition, all solid state "switch-mode" converters are FCC Certified to minimize signal interference with Televisions, AM/FM Radios and emergency band frequencies. To insure quality and consumer safety, all of our Converters, AC/DC distribution panels, and Line/Generator Switches are safety agency listed. All products are covered by a manufacturer's limited warranty. ...
